InPack

PURE FUNCTION. PURE BEAUTY.

Its functionality can be found in its rectangular form. Because pallets are not round, InPack rectangular containers use space more efficiently. The InPack is also offered in clear plastic in order to showcase your products for maximum exposure.

TECHNICAL ADVANTAGES

Maximise pallets space: With freight and warehousing costs rising, it just make sense!

Wide opening:
Our rectangular hinged lids are convenient for dispensing of product with its wide opening.

Locking system:
Our locking system that enables users to keep the lid opened to help dispensing products.

Ease of opening:
Our hinged lid comes with a tamper-evident tear strip that protects your product against illicit opening.

Affixed lid:
The lid is attached to the container which prevents contaminants from entering and affecting your products.

Easy to manipulate design:
Wide skirt with integrated grip for convenient handling.
